

ELWOOD GOLF LINKS

Spring Newsletter 2020 Golf Season

What's New at Elwood Golf Links?

2020 Golf Season is fast approaching and we are looking forward to having the **first full season of 18 holes** here at Elwood Golf Links. With that being said we have a lot to look forward to this year and we can't wait to get you, friends, and family out on the course once again!

Season Passes

If you or someone you know plans on playing frequently this year, one of the best options is a 2020 Season Pass. A Season Pass covers all greens fees for the entire 2020 season and has options for with and without cart! Season Passes are great for those looking to save on greens fees throughout the year and gives you an excuse to come out and play (because if you got it you might as well use it 😊). For more information on Season Passes, please visit www.elwoodgolflinks.com. If you would like to sign up, please email Director of Golf Jake Hopkins or call the Pro Shop at (765)-552-0665.

Outings

If you are looking for a good fundraising option please consider Elwood Golf Links to host your outing in 2020. Whether you have an outing planned or you need a little guidance to make your event the best it can be, Elwood Golf Links can help. We have a full 18 holes along with Woody's bar and back patio area to accommodate golfers after the outing is completed. We also have a beverage cart available to run during the outing so your golfers will have something to look forward to if they're not playing too hot! Dates are starting to fill up, so if you or someone you know would like to get their outing set up and on the books give Jake a call.

Couples Night

We will be hosting Couples Nights one Friday a month from May-October in 2020. Each Couples Night has a theme where you can dress in your best gear, have some fun on the course, and then come join us in Woody's bar for food and drink! It is a 2 person scramble format with payouts in shop credit for first, second, and best dressed. We will have sign-ups as the dates get closer so be on the lookout for those. To find this information, you can follow us on Facebook, check out our website or be on our email list. If you would like to join our list please email Jake Hopkins or call the Pro Shop. If you are looking for a fun date night don't forget to keep Elwood Golf Links on your radar!

Junior Golf Camps

Junior Golf Camps are returning this year and we are adding another session! This year we will have a spring, summer, and fall session where we will cover putting, chipping, pitching, and full swing. All Junior Golf Camps are 3 one-hour sessions with one session a week and are open to ages 6-14. Golf is one of those sports where we all wish we had started a little earlier and this is great opportunity to introduce the game to the younger generation. For more information visit our website. If you would like to sign up, please email Jake Hopkins, or call the Pro Shop at (765)-552-0665.

Woody's Dining

Woody's will be open on Fridays and Saturdays with select food options on those days. The opening of Woody's will be in April! We will have a dining schedule that will be released as the we get closer to that date.

2020 Thursday Night League

One of our favorite programs is back and growing this year. Our Thursday Night League is expanding from 18 to 24 teams, but spots are filling up fast. In order to **secure the team's spot**, the team must pay their **\$200 team fee**. These spots will not last long so teams that are interested, email or call to sign up, and please provide the following: **Team Name**, **Players Names** (Your team can consist of 2-5 players, with 2 players playing each week), **Phone Numbers** for each player, **Emails** for each player. We are looking forward to another great year of league and seeing some new faces as well.
